

DOUGLAS COUNTY HISTORICAL SOCIETY/ WATKINS MUSEUM OF HISTORY

REPRODUCTION POLICY

The Douglas County Historical Society/Watkins Museum of History (DCHS/WM) desires to make its materials as widely available as possible. Researchers, however, may not individually photograph, digitize, or otherwise reproduce materials in the collection. All reproductions must be made according to the policy here within. These policies are set forth for the protection of the collections, patrons and the DCHS/WM.

CONDITIONS FOR REPRODUCTION

The user agrees to the following conditions:

1. **Credit Line:** A credit line reading "Douglas County Historical Society, Watkins Museum of History" must be placed near the photograph.
2. **Indemnification:** The user agrees to defend, indemnify, save, and hold harmless the DCHS/WM, its employees, officers or designates, from any and all costs, expense, damage and liability arising because of any claim whatsoever which may be presented by anyone for loss or damage or other relief occasioned or caused by the release of said negatives, prints, photographs, and audio-visual materials to the undersigned and their use in any manner, including their inspection, publication, reproduction, broadcast, duplication or printing by anyone for any purpose whatsoever.
3. **Image Manipulation:** The DCHS/WM's primary interest is to protect the integrity of the original. All photographic reproductions will not be retouched to eliminate imperfections existing in the original image. Captions are deleted on all prints and slides unless instructed differently.

The society and museum will not allow the inversion of the original or the removal (except for allowable cropping) or addition of content. Adjustments to contrast and sharpness are allowed. Images may be cropped at the edges or a portion may be selected from within a photograph, however, an explanatory statement must be added describing any changes. Any manipulation of the materials beyond that stated in the policy must be approved by the Director, WM.

4. **Endorsement:** Use of materials from the DCHS/WM does not imply that the society/museum endorses any product, enterprise, expressed opinions, or confirms the accuracy of any content in publication and broadcast.
5. **Web Site Use:** Patrons may not distribute images from the society/museum's collections via the World-Wide Web without the museum Director's approval.

6. **One-Time Use:** Permission is granted for ONE-TIME USE ONLY, unless multi-use permission is specifically granted in writing. Any reproduction, including digital reproduction, or subsequent use of the provided copies is prohibited without the express written permission of the DCHS/WM.

7. **Copyright:** Duplication by the DCHS/WM in no way transfers either copyright or property right, nor does it constitute permission to publish in excess of "fair use" or to display materials. Reproduction is permitted only from materials owned by DCHS/WM.

8. **Copy of Publication:** As a part of the agreement of reproduction permission, the DCHS/WM requires that upon publication one copy of the publication to be sent to the Watkins Community Museum of History at no cost to the museum or historical society.

9. **Denying Request:** The DCHS/WM may refuse to make one or more copies because of the number of copies requested, the physical size or condition of an item, or the amount of staff time involved.

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of the copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This DCHS/WM reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright laws.
